Book players fees and services

All services for all players and relatives need to be summarized and added to this form. The split can be done in another step

1. Click the “Book participant fees” button on the teams account page
2. Click the “Book player fee” button in the book participant fees page
3. In the dialog box that opens you shall add all fees and services that the players and their family wants to book.

Example:

Player “Remi” are bringing his wife and kid. The whole family wants to join the drawing party and the Gala dinner, and they want to be at the arena to watch the matches. Only the player wants to drink beer at the arena. And no one wants to have lunch at the arena

For player “Remi” the following will be added to the booking form:

1 x Number of persons (Players and family total)

1 x Beercup

3 x Drawing party

2 x Gala Dinner

1 x Gala Dinner kids

0 x Lunch at the arena

3 x Transportation Hotel – Arena

Player “Ola” is traveling alone and will join everything:

1 x Number of persons (Players and family total)

1 x Beercup

1 x Drawing party

1 x Gala Dinner

1 x Lunch at the arena

1 x Transportation Hotel – Arena

This is how the form will look like after adding all players and relative’s fees and services.
